MEMORANDUM FOR: Director of Basic Intelligence
SUBJECT: Commendation

1. I want to commend you and members of your Office for the fine work evident in the preparation of the Indochina Map Folio requested by the Director. Admiral Raborn also has expressed his satisfaction for a job "well done". The Folio will provide the President and other high-level Government officials with a most useful intelligence reference aid.

2. Please extend my appreciation to your Cartography Division and those in other OBI divisions who contributed to this intelligence production.

RAY S. CLINE
Deputy Director for Intelligence
